Your Partner in Asia

HELICOPTER

Client Profile:

Client is well established in New Zealand at the end of 2005, specializing in the transport of airplane/helicopter and parts, from international locations.

Client Relationship:

We were tasked to work with them in October 2015. This will be the first time that we will be working with them after 2 month of discussions.

Project Profile:

Ben Line Project Logistics was appointed to move a Helicopter and parts, items include 1unit + 2case + 1skid weighing 3,021.000kg , we used a RO-RO ship to transport the cargo from Yokohama Port, Japan to Auckland, New Zealand.

Project Summary:

Challenges:

- Finding a suitable carrier for this sensitive type of cargo and within tight deadlines given by the client.
- Ben Line Project Logistics received the cargo late from supplier, we only had 6 hours to complete the loading, lashing and customs clearance before the cut off time at the wharf.
